

**APPLICATION FOR MARYLAND HIMSS SCHOLARSHIP
2016**

The Maryland Chapter for the Health Information Management Systems Society (MDHIMSS) annually awards a \$2,500 scholarship. Scholarships are awarded to students studying in the healthcare information system field or a related computer science field. Applicant must meet one of the following requirements: be an active member of MDHIMSS or work, reside or attend a Maryland college or university and have at least a 3.0 GPA. In addition to the scholarship, MDHIMSS will award the recipient with a one-year membership to MDHIMSS, one-year assignment as a student member of the MDHIMSS Program Committee, and free attendance at the MDHIMSS educational programs for one year.

Personal Statement

Prepare a personal statement that includes a brief discussion of the following:

- Career goals (goals upon graduation and short-term goals within the industry)
- Past achievements (achievements that will support your future career goals)
- Future goals (describe where you envision yourself in your career long term and discuss the question "Why should I receive this Scholarship?")

Additional Information

Attach a copy of your most current resume or CV. Provide complete work history, a list of publications and presentations, and all academic awards.

Essay

Please attach a scholarly 500 word essay highlighting your main area of interest in health information technology.

I certify that all of the above information is correct to the best of my knowledge.
